Kenapa jualan harini rendah

Penjualan hari ini di Bagel Bros mungkin dianggap rendah karena berbagai alasan. Berdasarkan data, total penjualan hari ini adalah 375.5, dengan item yang terjual termasuk Egg & Cheese Bagel (30 unit), Classic Bagel with Cream Cheese (20 unit), Freshly Brewed Coffee (15 unit), dan Smoked Salmon Bagel (14 unit). Ada beberapa kemungkinan penyebab penjualan yang lebih rendah:

- Cuaca: Kondisi cuaca yang buruk dapat mempengaruhi jumlah pelanggan yang datang.
- Lokasi dan Aksesibilitas: Jika ada masalah dengan aksesibilitas atau perubahan lalu lintas, ini bisa berdampak pada kunjungan pelanggan.
- Musim atau Tren Sementara: Ada kalanya penjualan dipengaruhi oleh tren musiman atau perubahan selera

 Persaingan: Mungkin ada penawaran atau promosi dari pesaing yang mempengaruhi penjualan.

 Promosi atau Pemasaran: Kurangnya promosi atau pemasaran yang efektif juga dapat berdampak pada tingkat penjualan.

Untuk mendapatkan gambaran yang lebih jelas, mungkin perlu menganalisis data penjualan dari hari-hari sebelumnya atau mendapatkan umpan balik dari pelanggan.
